

# privacy policy

last updated: February 18, 2026

FR (“we”, “our”, or “us”) provides an anonymous messaging platform that allows users to receive messages from others through shared links. This Privacy Policy explains what information we collect and how it is used.

## 1. INTRODUCTION

FR allows users to receive anonymous messages from others through links shared on social media or messaging platforms. Messages are anonymous to recipients; however, certain technical information may be collected internally to maintain safety, prevent abuse, and operate the service.

By using FR, you agree to the collection and use of information described in this Privacy Policy.

## 2. INFORMATION WE COLLECT

### a) Information you provide

When you use FR, we may collect:

- Username or account identifier
- An optional profile picture
- Messages sent or received through the platform

- Questions or prompts you create
- Reports or feedback submitted by users

## **b) Automatically collected information**

To operate and protect the platform, we may automatically collect:

- Device type and operating system
- Approximate location derived from IP address (city or region level only)
- Hashed Version of your rough IP address
- App usage data and timestamps
- Push notification tokens

This information is used only for security, moderation, and service improvement purposes.

## **c) HOW WE USE INFORMATION**

We use collected information to:

- Deliver anonymous messages to users
- Prevent spam, harassment and abusive behaviour
- Detect and reduce misuse of platform
- Improve app performance and reliability
- Send notifications related to new messages or activity
- Enforce our Terms Of Service

**FR DOES NOT USE COLLECTED INFORMATION FOR ADVERTISING PERSONALIZATION**

### **3. ANONYMITY AND SAFETY**

Messages on FR are anonymous to recipients. However, FR may internally use technical identifiers and automated moderation systems to detect abuse, enforce platform rules, and maintain user safety.

FR does not guarantee anonymity in cases involving violations of law, abuse, or misuse of the service.

### **4. INFORMATION SHARING**

We do not sell personal information.

We may share limited information with third-party service providers that help operate the platform, including:

- Cloud hosting providers
- Push notification services
- Content moderation providers
- Analytics or infrastructure tools

These providers process data only to perform services on our behalf.

**We do not sell or rent personal information to third parties.**

### **5. DATA RETENTION**

We retain information only for as long as necessary to operate the service, prevent abuse, and comply with legal obligations.

Messages or reports may be retained for moderation and safety purposes even if deleted by users.

## **6. USER CONTROLS**

Users may:

- Delete messages from their inbox
- Block senders
- Report inappropriate content
- Pause or disable notifications within the app
- Contact us through our support email

## **7. CHILDREN'S PRIVACY**

FR is not intended for children under the age of 16. We do not knowingly collect personal information from children under 13 (or the minimum age required by local law).

If we become aware that information has been collected from a child without parental consent, we will remove it.

## **8. CHANGES TO THIS POLICY**

We may update this Privacy Policy from time to time. Updates will be reflected by the "Last updated" date at the top of this page.

Continued use of FR after changes means you accept the updated policy.

## **9. CONTACT**

If you have questions about this Privacy Policy, you may contact us at: [frsocialapp@gmail.com](mailto:frsocialapp@gmail.com)

FR is not intended for children under the age of 16. We do not knowingly collect personal information from children under 13 (or the minimum age required by local law).
